

Office Memorandum • UNITED STATES GOVERNMENT

TO : CIA Library

DATE: 25 April 1956

FROM : N. S. Paul

SUBJECT: Dagblad Scheepvaart

Returned herewith is the State Department list of Netherlands publications procured under the CERP, which is on loan to us. The Committee does not require the list at the moment, however, I believe it would be well to have a copy for retention in the event the matter comes up again.

Norman S. Paul
Legislative Counsel
